The Avoca Lake is located in the Village of Avoca and is a great asset to the Village. The lake is considered the back waters of the Wisconsin River. The lake does get high when the Wisconsin River gets very high which does cause some flooding. The Village would really like to see improvements made to the lake which would allow much more recreation to the lake. This would also be great for our Village allowing more recreation. The Avoca Lake use to hold many Ski shows and drew
