Subject: Exploration License Application Withdrawal and Submittal of Replacement Application

Dear Mr. Myers:

This letter is to acknowledge receipt of your letter dated May 16, 2013, in which Gogebic Taconite, LLC requests to withdraw its May 9, 2013, application for an exploration license. In addition, the department received separate correspondence also dated May 16, 2013, by which your company submitted a replacement application for an exploration license.

The Department considers the replacement application to be a separate and new application. As such, we will complete our review of the application within ten business days of its receipt.

Please contact Larry Lynch if you have any questions concerning this matter.

Sincerely,

A handwritten signature in cursive script that reads 'Ann Coakley'.
