# Skiing the Peshtigo River State Forest

The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to Equal Opportunity Office, Department of Interior, Washington, D.C. 20240.

This publication is available in alternative format (large print, Braille, audio tape, etc) upon request. Please call (608) 267-7494 for more information.

Pub. No-FR-390 2014

## The Spring Rapids Trail System is located...

approximately 5 miles west of Crivitz off of County Road W onto Kirby Lake Lane. The trailhead is located directly off of Kirby Lake Lane and there is an ample parking lot. This system offers over 7 mi. / 11.7 km of trails.

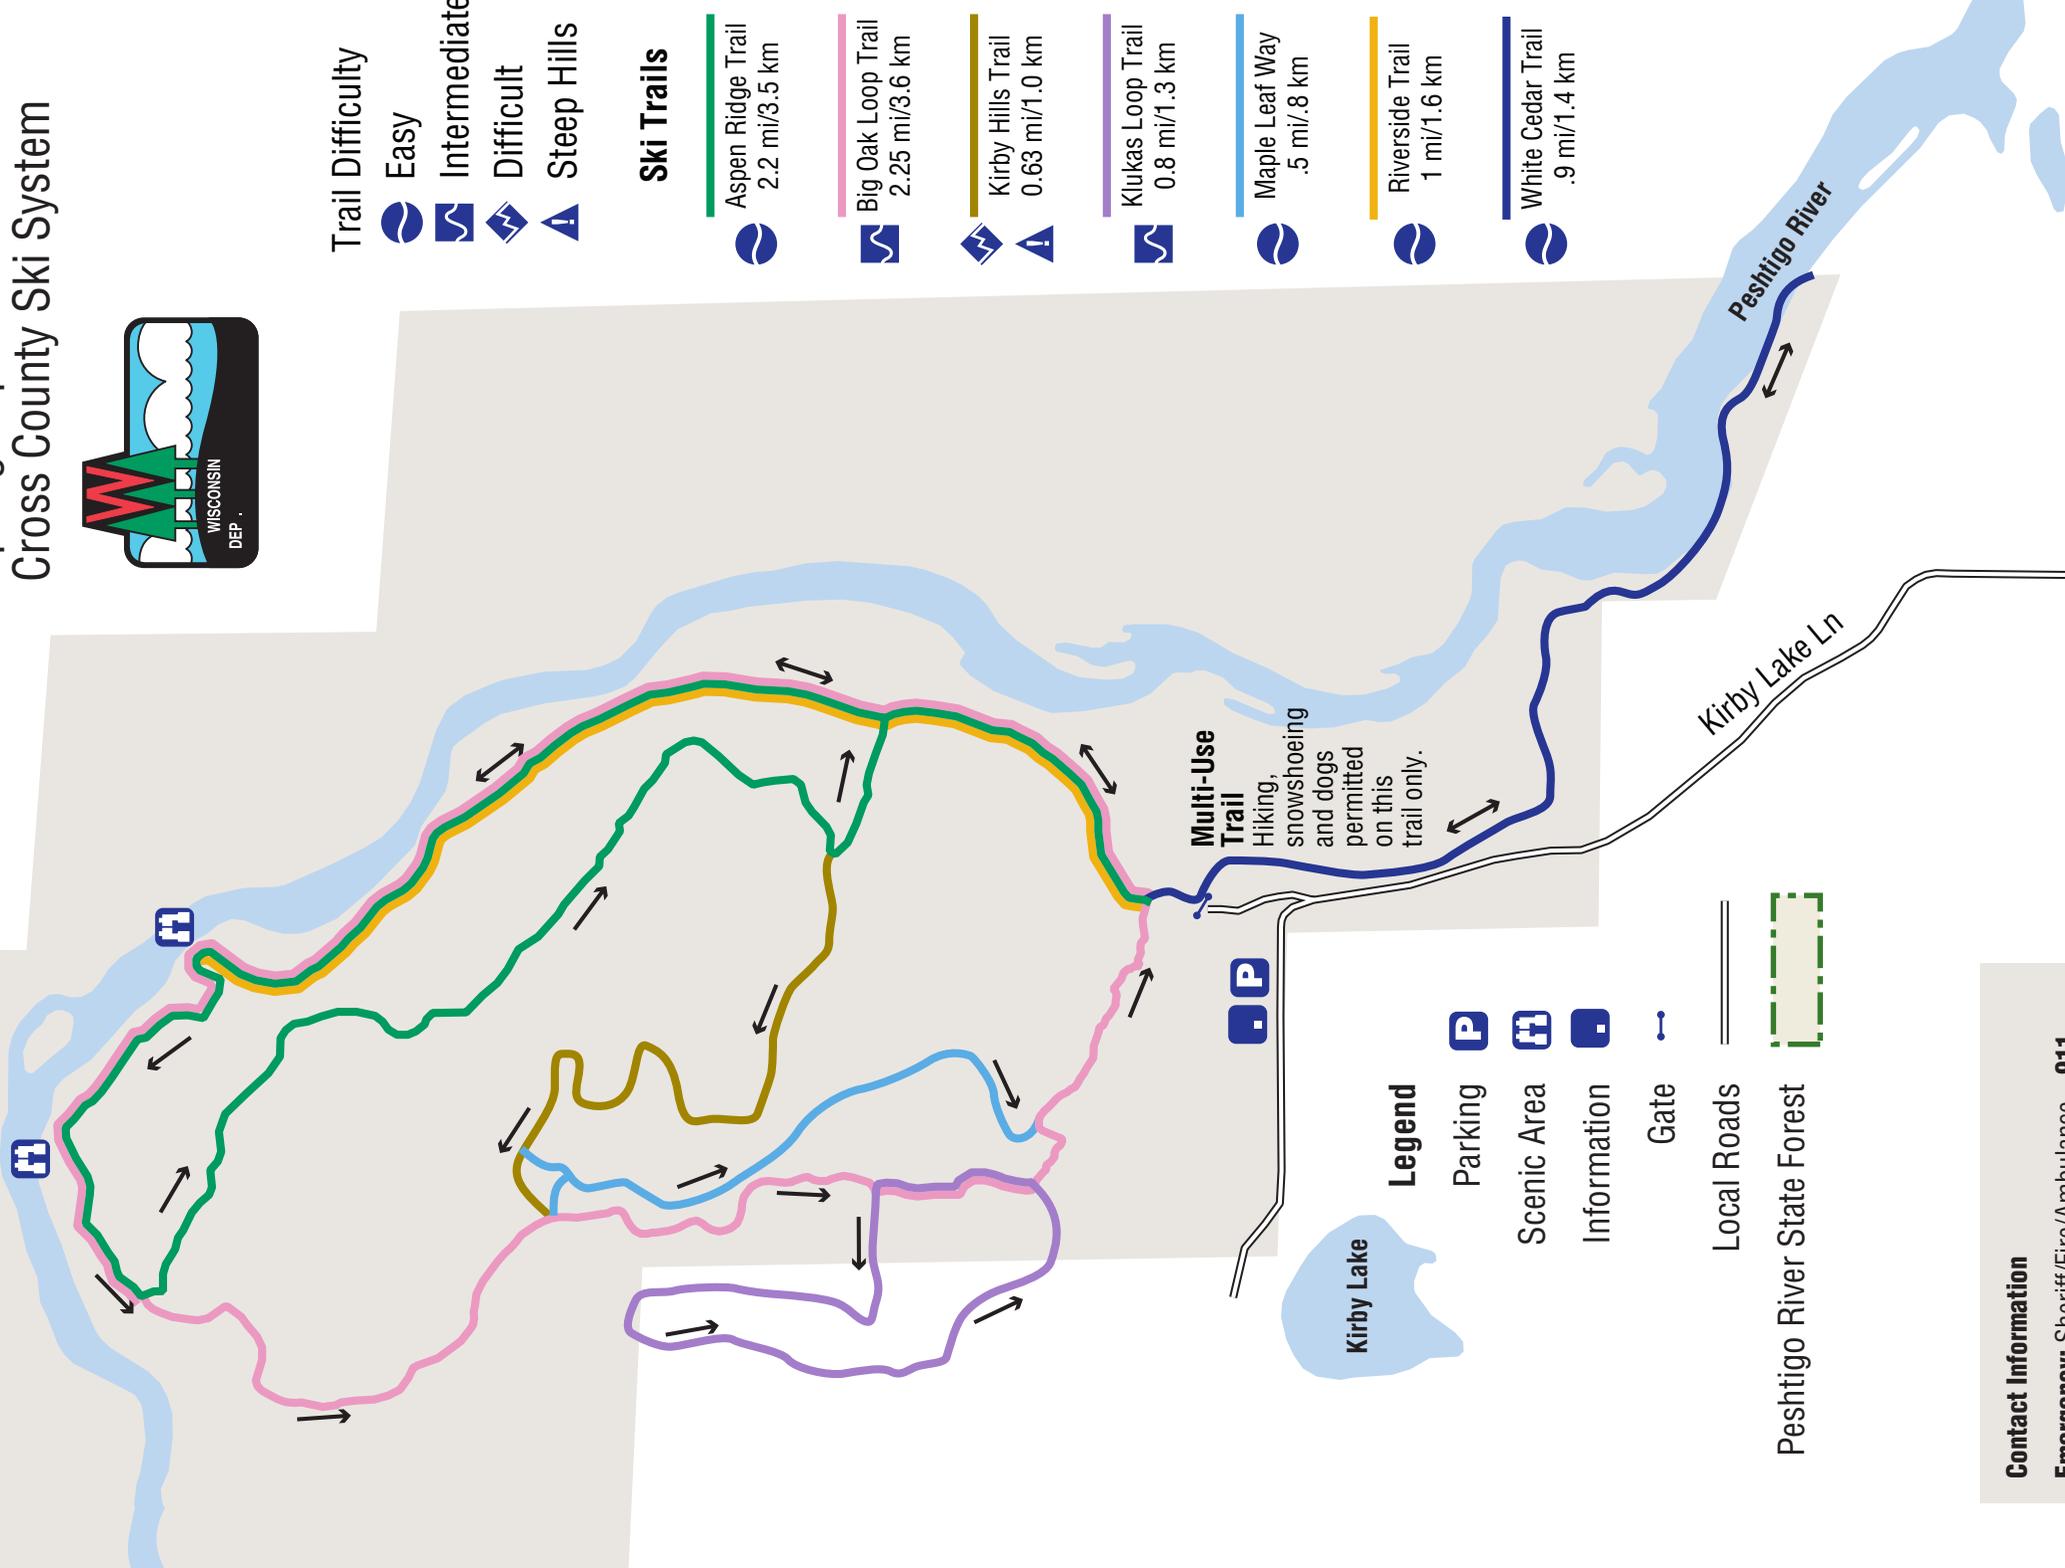

## Ski Etiquette and Rules

- ❖ If an injury occurs, dial 911 (Marinette County Sheriff) or the state forest office (715-757-3965). The nearest payphone is at the Corner Convenience Amoco Station, 5 miles west on County Road W.
- ❖ The White Cedar Trail is a multi use trail. Snowshoeing, hiking and dogs **are permitted** on this trail. This is the only trail in which these activities are allowed. Do not hike, snowshoe or allow your dog onto the other groomed ski trails.
- ❖ All ski trails are one-way **except for the White Cedar and Riverside Trail which are both two-way trails**. Always follow the proper direction on one-way trails for your safety, the safety of others, and to maintain the quality of the ski track.
- ❖ “You are Here” maps are posted at the intersections. A large map is posted at the trailhead. Trails are marked with their trail name, appropriate difficulty sign and the cross-county skier symbol (blue and white).
- ❖ All the trails are groomed for skate and diagonal skiers, with the exception of the White Cedar Trail and Kirby Hills Trail which are rolled flat.
- ❖ Skiers should ski within their own abilities. Always leave space between other skiers and alert others when passing. Control speed on down hills.
- ❖ Trails range from easy to difficult, some including very steep hills. Please use extreme caution.
- ❖ Portions of the trails cross private land. Please respect the private landowners and do not trespass-stay on the trail.
- ❖ If you must ski alone, advise someone of your route and time of return.
- ❖ Every effort is made to groom trails as quickly as possible. Even the best-groomed trails can be affected by trail usage and weather conditions. Up to date trail conditions can be received by calling the state forest office (715-757-3965) or on <http://www.skinnyski.com/trails/reports.asp> search under “Spring Rapids Trail.”
- ❖ A snowmobile trail does travel on Kirby Lake Lane, in addition to vehicular traffic. Skiing on the road can be dangerous!
- ❖ A candlelight ski is a popular way to spend a winter evening. The state forest holds its annual candlelight ski on the second Saturday in February. Please call the state forest office for more details.
- ❖ There is a donation box at the trailhead. All donations go directly into trail maintenance and supplies, publications printing, and other costs associated with these trails. Your donation is appreciated.
- ❖ Please report any safety hazards to the forest office.
- ❖ We are interested in your comments and suggestions. Feel free to contact the State Forest office.
