2017 CALENDAR

The mission of the Friends of Wisconsin State Parks is to **preserve, protect, promote** and **enhance** Wisconsin's state parks, forests, trails and recreation areas for future generations. FWSP accomplishes this mission by strengthening its network of local Friends groups and by enhancing the relationship between the DNR and partner groups.

## Letter from the President

Bill Zager

The Friends of Wisconsin State Parks are honored to once again partner with *Wisconsin Natural Resources* magazine and to have our calendar included in the magazine's December issue. The pictures in this calendar were offered in record numbers by users of Wisconsin's parks, trails, forests and recreation areas. Although only a few of these pictures could be selected for the calendar, they are

all winners and can be viewed on our website at [FWSP.org](http://FWSP.org).

The Friends of Wisconsin State Parks are proud of the support that we and our local Friends groups have given to help accomplish our mission to "Preserve, Protect, Promote and Enhance" Wisconsin's state properties. We invite you to become involved with FWSP or your local Friends group — as a member or volunteer — and we welcome your help in supporting our beautiful state properties this year.

We encourage everyone to help our state park properties by enjoying them and promoting their use by others. Please thank the park staff and all state and local officials for their support of these Wisconsin jewels!

Some would say we are lucky to have this great state park system, but it really is due to the forward thinking of Wisconsin leaders who developed a system of parks that is the envy across the nation! If your local property doesn't have a Friends group, we urge you to rally the local users and start a new group, or you can contact FWSP and volunteer as an individual to help the property.

Let's all work together to preserve, protect, promote, enhance and enjoy these great places in 2017!

## We hope to see you this year!

Friends groups and individuals contribute their time, energy and talents to preserve and improve the state properties they cherish. You can support this work by joining a Friends group or volunteering as an individual. See the back of this calendar for a list of all FWSP Friends groups. We hope to see you in 2017!

You can also support the Friends of Wisconsin State Parks by buying your 2017 state park stickers and state trail passes as part of gift packages through the Friends online store at [FWSP.org](http://FWSP.org).

## 2016 Gold Seal Award Winners

The Friends of Wisconsin State Parks would like to congratulate the 2016 Gold Seal Award winners. Every year, state park visitors vote for their favorite parks in 10 different categories. These parks are then honored at the FWSP annual meeting and awards banquet in November.

## Annual Friends of Wisconsin State Parks Photo Contest

Photographs from the Friends' photo contest are used to produce the annual FWSP calendar and may be used in other DNR publications, presentations, websites and displays. Your photos help promote the Wisconsin State Park System and all seasons are needed. You can submit your photos throughout the year. The submission deadline for the 2018 calendar is August 31, 2017. ## Enjoy winter!

Friends groups sponsor many winter candlelight events. These events may include lighted trails for classic- and skate-style cross-country skiing, snowshoeing and hiking. There are usually fires to warm up by and the Friends groups may sell concessions with proceeds benefitting the parks. The Friends may also help put on cross-country ski clinics, races and other special events and assist park staff in grooming trails.

## Join a local Friends group!

Friends members and volunteers help park staff with spring cleaning projects, including trail brushing and cleanup, repairing fences, cleaning up park grounds and making signs. The Friends also assist with some carpentry projects such as building birdhouses, constructing kiosks, repairing benches and picnic tables, and cutting and stocking firewood. Many Friends groups sell firewood with proceeds going back to the parks.

# APRIL 2017

## Celebrate Earth Day!

FWSP hosts several Work\*Play\*Earth Day events in April and May. Volunteers at these events help the parks by cleaning up picnic and campground areas, planting trees, clearing park trails and removing invasive species such as garlic mustard, and the Friends groups typically provide snacks to say thanks to everyone who has volunteered for the day. Trail building crews are also out getting the park trails ready for summer users. Many volunteers even "adopt a trail" and do regular trail work throughout the year.

## Enjoy the night!

During summer, Universe in the Park programs are scheduled at parks around the state for learning about and viewing the night sky. Friends groups will often plan additional events to coincide with these programs, including nightly campfire talks, sing-a-longs and visits by Smokey Bear. The Friends may bring in singers and musicians or even perform themselves. Campground hosts help with these events and other park projects, and are available to make sure that campers enjoy their stay.

## Explore the outdoors!

During summer, many Friends groups sell concessions and rent canoes, kayaks, boats and bicycles at the parks. Firewood and ice are also often sold by the Friends with proceeds staying at the property. If you're exploring the parks and need some equipment or supplies, make sure to stop by the park concessions. Wisconsin's state parks and forests also offer many reservable shelters and are popular places to hold family reunions, birthday parties and weddings.

## See the sights!

Wisconsin's state parks, forests, recreation areas and trails are popular places for special events such as marathons, bike competitions, triathlons and endurance races. Friends groups help park staff plan for and organize these events. The end of August also brings the FWSP photo contest to a close. Don't miss your chance to submit your best photos or to vote for your favorite parks for FWSP's Gold Seal awards. Winning photos appear in the FWSP annual calendar!

Autumn is in full swing in October and there is no better time to take some amazing photographs of Wisconsin's state parks and forests at peak color. Nature centers are busy with activities and crafts for kids, and Friends groups also hold many programs to celebrate fall and Halloween. ## Support the Friends!

Friends groups raise money to come up with matching funds so they can apply for grants through the Knowles-Nelson Stewardship Program that will aid in habitat restoration and the construction of park and trail facilities. Previous Friends projects include the construction of shelters, playground equipment, boardwalks, trails, accessible cabins and interpretive exhibits, as well as invasive species removal and prairie and woodland restoration. November 15 is the deadline for applying for Friends Stewardship grants.

# Thank you!

Local Friends groups join with the Friends of Wisconsin State Parks and other volunteers to work together to preserve, protect, promote and enhance the state properties around Wisconsin by providing on-the-ground work, monetary support and advocacy for our most special places. Our park properties simply would not be what they are today without the continued help and support of all our Friends and volunteers.

You can join the Friends of Wisconsin State Parks online at [FWSF.org](http://FWSF.org)
